The Championships will take place in the Nicholls Oval Park, where many events and festivals take place. It is located on the shores of the Otonabee River and on the Trans-Canada trail at the intersection of Parkhill Rd. and Armour Rd. in Peterborough ON.

Located steps from Peterborough's Downtown and East City, the Trans-Canada trail provides bike path access to both city center locations. Peterborough is known for and was settled due to the main water way passing through town, the Otonabee River and the Trent Severn Waterway. Nicholls Oval Park is on this main waterway. The Peterborough Cycling Club has been hosting cyclocross races in this park for over 10 years with more than 40 cyclocross races having taken place here. This park is also home to the Peterborough Rugby club, Peterborough Folk Festival, and many other events and festivals. - Note: The categories are defined as per UCI rules based on year of birth. Your racing age for the Championship is the age you would be on Dec. 31, **2020**.
- Categories with fewer than 5 starters may be merged with another age or ability category at the discretion of the Technical Delegate or Chief Commissaire for the start, but will receive awards separately.
- All competitors **MUST** enter their event class as shown on their license.
