### **IMPORTANT NOTE: CANADIAN MASTERS CHAMPIONSHIP CATEGORIES**

Due to recent changes in UCI World Championship category structure, Masters Canadian Championship categories will now begin with riders aged 35 and over. Masters race categories will still be offered in ten year age increments (see table above). Due to the fact that most Canadian-issued race licenses will not reflect this update, please be sure to register in the category corresponding to your age as of December 31<sup>st</sup>, 2022. Race officials on-site will be verifying that all riders are registered in the appropriate category based on their age as of the above stated date. All riders aged 30-34 will now be required to race in the Elite category, and will require this designation on their UCI license.

- Note: The categories are defined as per UCI rules based on year of birth. Your racing age for the Championship is the age you would be on Dec. 31, **2022**.
- Categories with fewer than 5 starters may be merged with another age or ability category at the discretion of the Technical Delegate or Chief Commissaire for the start, but will receive awards separately.
- All competitors **MUST** enter their event class as shown on their license.
- The categories are defined as per UCI rules based on year of birth.
