SECTION B – ELIGIBILITY CRITERIA

To be eligible for selection to the Canadian team, an athlete must:

- Be a Canadian citizen.
- Have competed in the most recent Canadian Championships, or have a valid exemption (see National Championships Attendance Policy on the CC website)
- Have a valid Canadian passport that does not expire before the date required by the consular authorities of the country in which the event is being held.
- Be in compliance with all relevant CC and UCI requirements for eligibility.
- Hold a valid UCI license indicating nationality as Canadian.
- Sign, submit and comply with the CC National Team Agreement.
- Have completed all relevant UCI, WADA and Sport Integrity Canada anti-doping requirements.
- Have signed the consent form agreeing to be bound by the Universal Code of Conduct to prevent and address Maltreatment in Sport (UCCMS).
- Minors must have parental permission to participate in training programs and competitions.

Additional eligibility requirements may be detailed in the Specific Selection Criteria below.

SECTION C – EVENTS CONSIDERED FOR SELECTION

Selections will only consider results from the events cited in this policy unless other results are required to exercise Coach Panel discretion.

All results must be top half of the field unless otherwise specified. Field size is based on the official results on the UCI website, including athletes listed as DNS, DNF and DSQ.

In cases where the number of participants is restricted because of qualification processes or other types of restrictions, the number of participants in the qualification process may be taken into consideration.

Unless otherwise specified, for the purposes of this policy, results will include all athletes, not only those who applied for selection.
