

# 2026 COMPANION GUIDE

ALL RIDE. MANY RACE. WE WIN!

## **THE NATIONAL / ELITE NATIONAL / INTERNATIONAL COMMISSAIRE AN EXPERT SERVING CYCLING**

A National / Elite National / UCI International Commissaire ensures that international cycling races are held in the best possible conditions. They fulfill the role of CC / UCI ambassador for races being held under its auspices.

A Commissaire ensures the smooth running of cycling races in ethical and sporting terms by ensuring that National / UCI rules are uniformly applied before, during and after the race.

Since some of the aspects of their function go beyond the framework of the rules, National / Elite National / International Commissaires must be able to command respect in any situation. They must also be capable of playing the role of mediator between all those involved in cycling.

**Commissaires are at the centre of the sporting action during cycling competitions across all disciplines; commissaires provide an essential service to the cycling community.**

## PRELIMINARY PROVISIONS

The UCI Regulations will be considered as the reference for all regulations governing the specified disciplines of bicycle racing.

The present UCI Regulations and Cycling Canada (CC hereafter) Companion Guide shall be applicable to all types of specified cycling races.

Where necessary the UCI Regulations have been revised to accommodate various National Regulations pertinent to Canada. These amendments appear in this CC Companion Guide. The National Regulations are preceded by the letter (N) in italics.

It should be noted that the UCI Regulations are dynamic reference documents and a particular section may be updated at any time during the year. We therefore recommend that people refer to relevant sections on a regular basis through the UCI website. All preceding regulations will be considered invalid as of the date of the updated regulation.

Nevertheless, National Federations may, in their National Regulations applicable to races on their own National Calendar, rule on any provisions herein marked by the letter (N). Where no such National Regulations exist, organizers of races registered on the National Calendar shall strive to respect the provisions in question to the greatest extent possible and in accordance with the circumstances.

A specific provision of the UCI Regulations and the CC Companion Guide shall constitute an exception to any general provision with which it would be incompatible.

Participation in a cycling race, in whatever capacity, shall imply acceptance of all provisions of UCI Regulations and the National amendments contained in the CC Companion Guide.

In addition to the standards outlined in the Cycling Canada Companion Guide, all participants, coaches, officials, and event organizers are responsible for ensuring compliance with the rules and regulations established by their respective Provincial/Territorial Sport Organization (PTSO).

Provincial requirements may differ from or expand upon the guidelines contained in this document, and PTSOs may implement amendments based on regional policies, safety considerations, participation objectives, or operational needs.

The Cycling Canada Companion Guide applies to all sanctioned events in Canada, however, participants must consult directly with their PTSO for clarification on any provincial specific standards, updates, or modifications applicable to provincially sanction events. Where

discrepancies exist, PTSO rules and directives take precedence at the provincial or territorial level. All stakeholders are expected to review PTSO policies regularly and ensure that their practices align with the most current provincial or territorial requirements.

The UCI / CC cannot be held responsible for any infringements of the law committed in connection with cycling, even if the Regulations be invoked to justify such infringements.

The CC Officials Committee will be consulted where there are difficulties in applying the UCI Regulations or National amendments.

In the event of a discrepancy between the English version and the French version of the CC Companion Guide, the English version shall prevail except in the province of Quebec where the French version shall prevail.

To facilitate reading, the UCI Regulations and the CC Companion Guide shall include the use of the masculine for the feminine and singular for plural.

### § 3 COURSE MARKING

**4.2.027 N)** The use of chicken wire is prohibited. Similar mesh products need to be approved by the President of the Commissaire Panel.

### §5 FEEDING & § 6 TECHNICAL ASSISTANCE

**4.2.035 N)**

To clarify the UCI Regulations concerning feed / technical assistance zones.

If possible, a double feed / technical assistance zone such as that above is preferred; if not, then two feed / technical assistance zones are needed for XCO competitions. In the case of

the diagram above, technical assistance is done at the same place as feeding. In that case, riders must pull in to the box and stop riding. Also:

- Riders **can** receive feed and water in the technical area as long as they are **stopped** (one foot down).
- The dotted areas should be chalked out or identifiable. Feeders must remain behind the first line and step into the feeding area only upon arrival of their riders.
- The passing lane is in case the riders do not want a feed, they simply ride on through.
- Signs should be used to indicate the start and end of each feed / tech zone

## § 7 SECURITY

### First Aid (Minimum Requirements)

**4.2.052 N)** At least one ambulance and one basic first aid post are required during all race times. An ambulance on standby with an average response time within 10 minutes from local emergency dispatch may be sufficient if approved in advance by the Technical Delegate and President of the Commissaire Panel.

For each event, at least one (1) doctor or one (1) paramedic and at least six (6) people qualified to perform first aid under the laws of the province must be present at the venue during all race times.

## CHAPTER 9 CANADA CUP

# PART V: CYCLO-CROSS

## CHAPTER I CYCLO-CROSS RACE REGULATIONS

### Participation

**5.1.001 N)** The use of a mountain bike will be allowed in some cyclo-cross competitions, and in some cases, for specified categories only. The CC Officials Committee will determine from time-to-time which categories will be open to MTB. For the National U17, Junior, U23 and Elite Men and National U17, Junior, U23 and Elite Women categories, MTB bikes will not be permitted.

### Technical Delegate

**5.1.006 N)** At National Championships, a Technical Delegate is appointed by the CC. Without prejudice to the responsibility of the organizer, the Technical Delegate shall supervise the preparation of the technical aspects of the competition and shall serve as a link with CC headquarters in this respect.

**5.1.007 N)** If a competition is promoted at a new venue, the Technical Delegate must carry out an inspection well in advance to take the necessary measurements. The inspection will include the course, the distance, determine the double pit area, installations and the security. He will meet the organizer and prepare an inspection report without delay for submission to CC. He must be on site prior to the first official training session and carry out an inspection of the venue and courses in conjunction with the organizer. He shall coordinate the technical preparations for the competition and shall ensure that the recommendations made in the inspection report are implemented. The definitive version of the course and any changes, if this is the case, shall be the responsibility of the Technical Delegate. The Technical Delegate shall attend the Team Managers' meetings.

### Pit Areas

**5.1.028 N)** Organizers wishing to use two single pits for the National Championships shall make this request to the Technical Delegate at the time of course approval, together with maps and motivation. The Technical Delegate shall make the final decision as to whether this shall be permitted at each specific event.

# PART VI: BMX RACING

## §1 CATEGORIES AND PARTICIPATION

### 6.1.002 Age of Participants

**N)** For National-level competitions below National Championships, a rider must be at least 5 years of age on December 31st of the current year.

**d. N)** At CC sanctioned competitions, BMX National Championships and UCI sanctioned competitions below the World Cup level, the race organization will supply a photo-finish system as described by the UCI Regulations, with the exception of a second “front on” position camera; this second camera is not required. The organization will supply an equipment operator who will be at the disposal of the Finish Line Commissaire during all periods of competition. The film for any particular race will only be reviewed in the event of a protest over the actual finish order. The Finish Line Commissaire’s interpretation of the photo finish film is final and is not open for further protest. Relegations of position due to interference in the final straight are not subject to video review; all such decisions are imposed at the discretion of the Commissaires Panel.

### 6.1.050 Track Flags

**N)** In addition to the flags (as per UCI Regulations), radio communication may be used. A minimum of 8 multi-channel radios with earpieces should be provided to the Commissaires Panel so that they may effectively perform their duties.

## §3 INFRINGEMENT, PENALTIES AND PROTEST

### 6.1.061 How to Protest

**N)** In National Calendar competitions, a rider without a Team Manager can protest directly to the Secretary in the event of a protest over the actual finish order in a moto. The Secretary will bring forward to the Finish Line Commissaire and/or President of the Commissaire Panel. As mentioned above, the decision of the Finish Judge shall be final.

## §4 THE BICYCLE, CLOTHING & EQUIPMENT

**6.1.079 N)** If, for whatever reason, riders 12 and under race in a combined class, the use of clipless pedals must respect the rule about the rider's age division.

## §7 INTERNATIONAL NUMBER SYSTEM

### 6.1.094 Assignment of International Race Numbers

Riders wishing to compete in a UCI sanctioned international BMX competition must display an international race number on their plate in accordance with the rules below.

*Clarification:* Elite riders who do not have a UCI career number must use a number that does not conflict with any career number used by any other elite rider. As per UCI Regulations, no rider, other than an Elite rider with a UCI career number (including challenge categories), may print a number on their jersey. Junior riders must use a number that does not conflict with any career number used by any Elite rider. CC maintains a list of such available plate numbers obtained from the UCI. Riders not abiding by these regulations shall not be allowed to start, if noticed before the race in question, or shall be relegated if noticed after the fact.

**N)** Rules applicable to riders in the Challenge classes are as follows:

- For CC sanctioned competitions (Canada Cup), riders supply their own number plates which must conform to the colour-coding described in the UCI Regulations;
- For the Canadian Championships, riders are supplied with a number plate conforming to the regulations. This number plate must be used and may not be modified.

## §9 COMPETITION OFFICIALS

### ANNEX 6 Finish Line Commissaire

**6. N)** In absence of a photo-finish camera, there shall be one qualified UCI or National Finish Line Commissaire assisted by four or more Finish Line scoring personnel (whenever possible, the scoring personnel shall be Provincial or higher level Commissaires). In the case that there is a photo-finish camera, there shall be a qualified UCI or National Finish Line Commissaire assisted by at least one member of the Finish Line scoring personnel (whenever possible, the scoring personnel shall be Provincial or higher level Commissaire).
